

AFRICAN e-GOVERNMENT FORUM 2008

The Ministry of Information and Communications Technology in collaboration with Commonwealth Telecommunications Organisation (CTO) and Uganda Communications Commission will host the 2nd annual African e-Government Forum in Kampala at Serena Hotel Conference Centre from March 4-6, 2008.

The theme for the forum is “Utilising ICT for more efficient, effective and inclusive governance”.

The key topics that will be addressed and debated are:

- Turning e-Governance from theory to reality
- African success stories
- International perspectives
- The role of mobile communications
- Engaging underserved communities in governance
- Including e-Governance in national ICT planning
- Overcoming the challenge of engaging women with e-governance through harnessing ICT

This forum will be attended by senior officials from governments, regulatory authorities, operators and other ICT stakeholders from around the globe. The event will have presentations delivered by experts, decision makers and thought leaders.
