

PUBLIC NOTICE

Date: Saturday, 13th September 2025

SUSPENSION OF "OMUSUNSUZI" PROGRAMME ON SALT TV FOR BREACH OF BROADCASTING STANDARDS

The Uganda Communications Commission (UCC) informs the public that, following routine monitoring and numerous complaints received, it has determined that the program "Omusunsuzi," aired on Salt Television, violates the Minimum Broadcasting Standards.

The Commission found that this program, which airs on weekdays from 6:00 am to 8:00 am, contains abusive content, inappropriate language, and displays unprofessional conduct by the presenters. These broadcasts occur during morning hours when children are likely to be watching, potentially exposing them to unsuitable material.

In accordance with its mandate under the Uganda Communications Act, Cap. 106, the UCC has directed Salt TV to:

1. Immediately suspend the airing of the "Omusunsuzi" program.
2. Provide written responses to the complaints received.
3. Submit recordings of the program broadcast between August 1, 2025, and September 12, 2025.
4. Submit the script of the program to the Commission.

Salt TV must confirm compliance with this directive and submit the requested materials to the UCC by Friday, September 19, 2025.

The UCC remains committed to protecting the public from harmful or offensive content and ensuring that broadcasters operate in compliance with the law and professional standards.
